RE: BANKRUPTCY CHAPTER 7 CASE - #20-14911-mdc

Dear Clerk of Court,

Due to some recent issues I have been reviewing my credit report. While doing so, I have found a public record showing on my file that has your court as the source of information. The information does not appear to be reported correctly on my file. The attached **Affidavit of Fact** verifies that I have not provided this information to the credit bureaus. I have tried to do as I am supposed to and dispute the file with the credit bureaus, but they state that the information was "VERIFIED." Due to the inconsistencies in the reporting, it is questionable that they contacted you for the information verification directly.

I would sincerely appreciate a confirmation from you of whether the credit bureaus did, in fact, contact you regarding my file, and if you supplied them directly with the information showing up on my credit report? The file on my credit report is reported as follows:

Chapter 7 Bankruptcy (CASE - #20-14911-mdc or 2014911)

Date filed (12/31/2020)

Liability: Unknown

If the Credit bureaus did contact you, I would like to receive a copy of the documentation indicating when, or a clarification from your office, stating if they did not contact you, I would like to know that as well. I have placed all my personal information at the bottom of this letter, and I have also included a copy of my ID, in order to assist you in locating my records.

Please return the attached Affidavit, stamped as received by your office, along with your response in the included stamped, self-addressed envelope. Thank you for your prompt attention to this request.

Best wishes
